# ROSHAN BANGAR

(+91)7038215354 bangarrp18.comp@coep.ac.in

## EDUCATION

**College of engineering, Pune**                    *July 2018 - June 2022*
Bachelor of Engineering, Computer.                    Current Cgpa 8.71

## MINI PROJECTS

**Implementation of Diff and Patch Linux Commands using C language**
The Project aims to implement the diff and patch linux commands efficiently. The diff command uses the dynamic table for longest common subsequence. Patch command is simply implemented by simply manipulating the file using the output of diff command

**Creation Of Database Management System**
Creation of Simple Database of Students using Mysql(mysqli object oriented) and managing the data as per the requirement of host.

## TECHNICAL STRENGTHS

**Languages**          Python, C

**Data Structures**    Firm Grasp of data structures and algorithms

## EXTRA-CIRRUCULAR

Winner of Zest(Coep) Chess Rapid team event, Volunteer in Mindspark Hospitality, Member of Coep Athletics Team
